Helpers wanted...

There are always little jobs that need doing around the kindy. Rather than pay someone we are asking for some volunteers that have these skills...

Power tools: fix the door

Gardening: pruning and fertilising

Sewing: hemming

IT skills: tuning our microphone to the correct frequency

Handyman: help get the sprinkler system working

Other jobs: oil our climbing boards

:take home books to number

:bags of material etc. to cut up

Fees

Thank you for your prompt payment but there are still some fees outstanding.

While the government gives us some money it is not very much-They pay per child and we only have 42 children! Yet we still have to pay the electricity, water and other bills. We need your help in the form of fees. If you have difficulties in paying, please see Anne as soon as possible to negotiate a payment plan.

Have you booked your family photograph yet? What a bargain only \$15 for a large family portrait, a wallet sized photo and a key ring!
